

HOME PERFORMANCE CONSULTANTS

As a Rater Member of the Minnesota Building Performance Association (MBPA), I (we) agree to:

1. Support the mission of MBPA.
2. Promote energy efficiency as a desirable and cost effective option for my (our) customers.
3. Use a "House as a System" approach when inspecting a home.
4. Support the definition of a Home Performance Test as defined by MBPA's Building Science Committee.
5. Own the equipment and knowledge to use such equipment, to complete the testing needed for Home Performance Testing.
6. Recognize the need for ongoing training and attend energy related conferences, courses and seminars.
7. Support, promote and require all employees, interns, mentors or representatives of my company or organization to abide by the guidelines of this agreement.
8. Encourage the use of other MBPA Associate Members.

This agreement is voluntary and can be terminated by either party at any time for any reason with no penalty. Failure to comply with any of the terms of this agreement can result in termination of Rater Membership to MBPA based on a vote by Members of the MBPA.

Signed, Rater Member MBPA
