

RENEWABLE ENERGY

As an Associate Member of the Minnesota Building Performance Association (MBPA), I (we) agree to:

1. Support the mission of MBPA.
2. Promote maximum energy efficiency as first step for my (our) customers.
3. Offer renewable energy equipment and products that support the mission of MBPA for increasing building performance.
4. Support and promote all employees, interns, mentors or representatives of my company or organization to abide by the guidelines of this agreement.
5. Encourage the use of other MBPA Members and Associate Members.

This agreement is voluntary and can be terminated by either party at any time for any reason with no penalty. Failure to comply with any of the terms of this agreement can result in termination of Associate Membership to MBPA based on a vote by Members of the MBPA.
