

Utilities

As an Associate Member of the Minnesota Building Performance Association (MBPA), I (we) agree to:

1. Support the mission of MBPA.
2. Promote energy efficiency as a desirable and cost effective option for my (our) customers.
3. Actively promote and encourage the installation of Energy Star heating, cooling, ventilation (HVAC) and higher efficiency water heating equipment.
4. Offering energy audits which adhere to the "House as a System" methodology.
5. Offer rebates and promoting incentives for energy efficiency improvements.
6. Representative for the utility shows leadership in the energy efficiency industry.
7. Representative for the utility seeks input on energy efficiency issues from MBPA membership.
8. Encourage the use of other MBPA Members and Associate Members.

This agreement is voluntary and can be terminated by either party at any time for any reason with no penalty. Failure to comply with any of the terms of this agreement can result in termination of Associate Membership to MBPA based on a vote by Members of the MBPA.
