

Why Join Minnesota Building Performance Association (MBPA)?

- Fantastic opportunity to learn from and network with leading experts in the exciting and emerging field of Home Performance.
- Stay current with Home Performance Industry research, programs and trends.
- Effective way to market your Home Performance service, products or programs.
- Wonderful way to advocate your passion for safe, healthy, comfortable and efficient homes.

Benefits of Membership to MBPA

- Company listing on MBPA's web site mbpa.us. CenterPoint Energy, The Department of Commerce, The U of M Cold Climate Housing Program and many other organizations refer customers to our website to find contractors and energy experts. Join MBPA as a Home Performance Rater or as an Associate Member promoting your service, product or program.
- Expert Home Performance educational opportunities available to MBPA members.
- Free membership to Efficiency First.
- Reduced subscription rate to Home Energy magazine.
